Summer Trap League We had a great year shooting this summer. In my opinion there were more high scores shot this summer than I have seen before. I think someone has been practicing? Thanks goes out to everyone that participated in shooting, scoring, filling trap house and making this league run like a fine tuned Ford truck. We will have the final score updates during our clubs awards party and year end party in October. We will be finalizing the party date at the September club meeting and will update in next newsletter on the date of it.

Shooters Fest We had an excellent turnout this year for Shooters Fest. There was a lot of fun packed into a short amount of time. We gave away a lot of guns, meats and other prizes. We had a record number of shooters for the Lewis trap shoot with 57 shooters. We all had a great time eating good food, having a few cold snacks and talking smack with or friends. Thank you all for supporting our club and hope you had as much fun as I did. Remember any ideas for next year would be considered so contact us now so we can bring it to the fest committee. Below is the winners of the drawing this year.

Gun Board Well I gave several gun boards away this month. Let's start with a Henry pump 22 went to Earl Fisk. A Savage 22 rifle with a club anniversary logo engraved stock went to Erika Burns. A Heritage Rough Rider went to Randy Blazek. A Savage 22 rifle went to Karen Mews. A Heritage Rough Rider went to Earl Fisk. The AR15 with club anniversary logo went to Todd Broder. That's 6 more guns this month bringing my total to 17 ½ guns. Remember my goal this year is to give away 25 board guns. As of the time of this newsletter the only board I have going is a Brewer board for a Heritage Rough Rider. But don't worry I plan on restocking the inventory so you will have a chance to be a Winner. Call, text or email me and I will get you on one of the boards.

Lever Action Shoot Well it's time to get your lever actions tuned up and range ready. September 17th at 11 am is the time for the levers to come to life. Bring your guns with scopes or without. We will have a class to put you in. It's all free hand so no wobbly pops or cold snacks before you shoot. After the smoke clears we can reflect on the day with a few cold snacks. Nothing else just come watch us and have a brat and pop.

Club Project Bucket List We had a good year getting projects done and I hope this coming year will be just as good. There are a few small jobs that could be done this summer. Let me know if you have some time on your hands and would like to help out.

1. Pressure wash siding on club house.
2. Brush Pistol and Rifle parking lot.
3. Pick Rock off the new range.

Rifle/Pistol Range Just a reminder that after using the ranges please pick up after yourself and others. No one wants to shoot at your used target, stumble on your spent brass or look at your McDonald's hamburgers wrappers blowing around. Take pride in our club and keep the image of a clean safe place to enjoy shooting.

Swamp Swag Pam has been working on getting some new Swamp Swag ordered for the club. She will have more sweatshirts for this fall and maybe some different colors? Come to a meeting to get yours and be the first to have some new Swamp Swag.

Recipe of the Month *Corn off the Cob* In a large bowl, whisk together 1 teaspoon lime zest, 7 tablespoons lime juice, 1 teaspoon sugar, 1 teaspoon kosher salt and a dash of hot sauce. While whisking, slowly pour in 7 tablespoons extra-virgin olive oil and continue whisking until emulsified. Set dressing aside. Bring a large pot of salted water to a boil. Working in batches as necessary, add 8 ears fresh sweet corn, shucked and boil until tender, about 4 minutes. Drain. As soon as corn is cool enough to handle, cut kernels off cobs and place kernels in bowl with dressing. Add 1 cup finely chopped red onion and ½ cup chopped fresh cilantro; toss to combine. Cover and refrigerate until needed. Serve cold or at room temperature.

Crystal Ball September 2nd club meeting, September 17th Lever action shoot, October 7th Club meeting.

Next Meeting The next meeting will be September 2nd at 7 pm. This will focus on getting ready for fall. If there is anything else that needs urgent attention, be sure to contact the board prior to the meeting.
