Christmas Raffle Well as you all must know by now the Christmas Raffle had a lot of challenges. First thing was the 18" of wet heavy snow that collapsed trees and powerlines. Then the multi county power outage that darkened northern Wisconsin like it was 1822. But with all that there were a few club members that dug the club out, brought a generator and hooked up the club with power to have a nice get together. We were not able to do any of the scheduled shoots but we did the drawing and were able to talk guns and ammo, have some light food and drinks along with a couple raffles for fun. Thanks everyone that showed up to help and support the club. We will try it again next year so just hope this don't happen for a long time.

The prize winners are as follows.

2nd Ruger Precision Rimfire .22 Mag – **Travis Schlesner**

3rd \$100 Cash – **Michael Williams**

Snow Removal I would like to remind everyone that after a snow fall we need to wait for the club to get plowed out. Usually by the day after a snowfall the club will be plowed out. When we drive on the fresh snow it packs down freezing making it harder to plow. There is plenty of clean-up after a snowfall you can volunteer for like shoveling, snow blowing, sweeping and salting to keep the place safe. Remember other clubs and organizations use the club during the winter. The club needs to remain open year around.

Thank You I want to give a big thanks not only to everyone that is on the list above but for everyone that played the boards. Not only for a chance to win a gun but some gave just to donate a little to the club to make sure it's around for many years to come. Without members donating their resources, time and money to the club it would not survive in today's economy. It cost thousands of dollars each year to maintain, improve and pay taxes/insurance. Thanks to each one of you for your donations, work and support.

Gun Board I was going to hold off for a few weeks before doing a gun board but there was interest on me keeping a board going. So I have a Glock 43 9mm pistol or \$400 cash. It's on a 100 square board and the price to win is 3 squares for \$20. Try your luck and start the new year with a new gun for \$20. Call, email, text or track me down. Can't win if you don't play.

Club Project Bucket List We had a good year getting projects done and I hope this coming year will be just as good. There are a few small jobs that could be done this winter. Let me know if you have some time on your hands and would like to help out.

1. Shovel snow.
2. Brush Pistol and Rifle parking lot.
3. Pick ice off sidewalk.
