Summer Trap League Boom, Bam, Pow you would think you were watching an episode of Batman but it's the Swamp Road Sportsmen's Club coming to life. Summer league is off to an excellent start. We had quite a few 25's a couple of 50's and even a 75 straight shot already and the league is just begun. We have a lot of time left and I expect to see a 100 or even a 150 straight shot yet this year. Come out and watch, shoot and have good conversation with us.

Summer League Make-up We have set up a few Saturdays to come shoot score for summer league if are you behind. The time will be from 1-4 pm on the following days.

July 1st

July 8th

July 22nd

July 29th

Canned Gopher Shoot The rifle range is getting overrun with those little critters! This year it will be Saturday the 15th of July. This is a very social event and is meant for all skill levels. Please mark your calendar and get ready to shoot some of those gophers in a can! I will be emailing the rules out and for those with email and for those that would like me to send them a hard copy please contact me.

Gun Board The board I have now is for a Ruger GP100 in a .357. It's on a 100 square board and the price to win is 1 square for \$10. Also the more squares you buy the cheaper the squares get. Try your luck and start your winning streak with a new gun for \$10. Call, email, text or track me down. Can't win if you don't play.

Clean up I want to thank everyone that has helped clean the club up in the last few weeks. I realize everyone has a busy schedule but if you can find a few minutes come and put your dues in and help out. I have the list on the club project bucket if you can help out. Please take pride in our club and do your part to make it a better place to enjoy shooting games.

Club Project Bucket List As I mentioned earlier in the newsletter there is a lot to do just to get the club summer ready. I know there will be some bigger projects that will need to be done but first we need to maintain what we have already. As you see below there is a lot to accomplish before summer. Let's focus on this short list and if we get that done we can really dig in. And again thank you to all that has helped so far.

1. ~~Sweep club lawn with lawn sweeper.~~
2. Brush pistol and rifle parking lot.
3. Brush club parking lot.
4. Brush pistol and rifle range.
5. Drag parking lot and range road.
6. Rake gravel out of lawn.
7. ~~Fix ruts in the trap range.~~
8. ~~Clean up overhang from back door.~~
9. Wash club windows.
10. ~~Clean restroom and kitchen.~~

Shooters Fest With the summer trap league starting means that Shooters Fest will be the Saturday following the last league night. This year Shooters fest will be on August 12th. The tickets are printed and ready to buy or sell. Please help out and sell a few tickets to your friends and family. All guns this year have wood furniture and are of highest quality. Make sure you tell whoever you sell to that there is a cash option on all prizes. Come to the club and sign out your tickets. Take a look at the Prizes this year.

Speed Limit With the start of summer league I do want to remind everyone to be careful and slow down when coming into and leaving the club. By going a little slower the dust won't be as bad and we won't need to have 4" of rain each week just to keep the dust down.

Recipe of the Month *Fried Shrimp Wontons* Start off with 8 oz. shelled and deveined raw shrimp. Cut 2/3 of the shrimp into small pieces. Mince the remaining 1/3 of the shrimp into ground shrimp. Combine the shrimp with 1/4 teaspoon salt, 1/2 teaspoon fish sauce, 1 teaspoon sesame oil, 3 dashes ground black pepper together. Stir to mix well. Use 12 pieces wonton wrappers and assemble the shrimp wontons by placing a piece of the wonton wrapper on a flat surface. Spoon about 1 tablespoon of the shrimp filling on the middle of the wrapper. Do not overfill. Fold to form a tri-angle shape. Using the thumbs and index fingers of both hands, press and squeeze both sides of the wonton towards to the center to form the folds. Make sure the wontons are sealed tightly. Place the wrapped wontons on a floured surface or baking sheet. Heat 2 to 3 inches of oil in a wok or small stockpot to 350°F (176°C) for deep-frying. Gently drop the shrimp wontons into the oil and deep-fry in batches until they turn golden brown. Dish out with a strainer or slotted spoon, draining the excess oil with paper towels. Serve warm with mayonnaise

Crystal Ball No July Meeting, July 4th Independence Day, July 15th Canned Gopher Shoot, August 4th Club Meeting, August 12th Shooters Fest.

Next Meeting The next meetings will be August 4th at 7 pm. This will focus on Shooters Fest. If there is anything else that needs urgent attention, be sure to contact the board prior to the meeting.
