October 2023

Awards/Appreciation Party Thanks to everyone that came out and enjoyed a night out at the club. We had an exciting year full of shooting and competition that left most of us better marksmen. We will have a few more events this year so make sure you watch the newsletters and save the dates.

.22 Rim fire Shoot Yes we didn't forget to schedule another rim fire shoot. On November 4th from 11 am until 3 pm there is more fun at the rifle range. It's economical and fun all rolled into one. This is a must for those that say they never get to shoot there little fun guns anymore. Come and check it out if you are looking to have a good time.

Cold Bore Shoot Here we go, one shot one bullseye! During the Christmas raffle day, December 16th we will have a cold bore shoot. Same as always, closest to center wins! Same time as everything else 11 am to 3 pm. Make sure you sight your rifle in and get ready to win.

50-Bird Shoot Hopefully we will have a 50 bird shoot during the Christmas raffle day on October 16th. It will start at 11 am and go until 3 pm. As long as it isn't a weather event like last year it's a good time. Shoot guns, kiss under the missile toe and drink eggnog? Sounds fun to me.

Gun Board I have on a 50 number board on a Glock 43 9mm pistol. Another quality gun to win for cheap. Call, email, text or track me down. Can't win if you don't play.

Christmas Raffle "I'll Be Homesteader For Christmas Raffle" is the next raffle that we will have for this year's Christmas shoot. It will be on December 16th this year and with weather permitting we will have a 50 bird Lewis Shoot, a Cold Bore Shoot and a Christmas Raffle. The 2 guns this year will be a Henry Homesteader and a CZ Double Barrel side by side 12 ga shotgun. I have tickets to hand out to sell or buy so come to the next meeting on October 6th. Remember there are only 150 books sold so they don't last long.

Club Project Bucket List As I mentioned earlier in the newsletter there is a lot to do just to get the club winter ready. I know there will be some bigger projects that will need to be done but first we need to maintain what we have already. As you see below there is a lot to accomplish before summer ends and winter begins. Let's focus on this short list and if we get that done we can really dig in. And again thank you to all that has helped so far.

1. Get ready for winter.
2. Clean up outside junk.

Recipe of the Month *Vegetable Dip*. In a medium bowl mix 1-cup sour cream, ½ cup salad dressing, ½ tsp. garlic powder, ½ tsp. basil, ½ tsp. salt, ½ cup raw minced onion, and a dash of red or white pepper. Stir until all ingredients are mixed well, refrigerate for 1 to 2 hours and serve. A perfect snack after the hunt or during the game.

Crystal Ball November 3rd Club meeting, November 4th Rim Fire shoot, November 5th Daylight savings, November 7th Election day, November 11th Veterans day, November 23rd Thanksgiving day, November 24th Native American Heritage day, December 1st Club Meeting, December 16th Christmas shoot/drawing, December 25th Christmas, January 1st New Year's Day, January 5th Club Meeting.

Next Meeting The next meetings will be November 3rd at 7 pm. This will focus on getting ready for winter. If there is anything else that needs urgent attention, be sure to contact the board prior to the meeting.
