Gun Board The Glock 43 9mm pistol found a winner....Erin Hart. Another quality gun went to a lucky club supporter. As of the time of when I wrote the newsletter, I didn't have a board but rest assured I will by the club meeting on December 1st. Call, email, text or track me down. Can't win if you don't play.

Club Project Bucket List As I mentioned earlier in the newsletter there is a lot to do just to get the club winter ready. I know there will be some bigger projects that will need to be done but first we need to maintain what we have already. As you see below there is a lot to accomplish before summer ends and winter begins. Let's focus on this short list and if we get that done we can really dig in. And again thank you to all that has helped so far.

1. Get ready for winter.
2. Clean up outside junk.
